Class History

The class of '57 entered Curlew High in the year of '53 as 23 scared Freshmen. The first thing that they encountered was their Freshmen Initiation. It turned out to be a jolly time for all. They were now in high school and had to have some kind of a organized way in their class so they elected for their President-Ted Nelson, Vice-President-Julie Berlie, Secretary-Coralie Van Woert, Treasure-Gerald Borders, and Reporter Bob Windsor.

They chose Mr. McNatt as their class advisor. Other statistics include class colors-blue and white, flower-white rose, song,"Moonlight and Roses", and motto is "A good beginning is half the battle".

Class History

In 1942 four new first graders started to school here at Curlew. They were Faye Ellis, Ronnie Borders, Gaye Faulkner, and Delbert Lindsey. We were joined later by Mick Matthews, who moved here from Kent, Wash. and started to school here in March of 1943. Our teacher for that first year was Mrs. Southon.

Larry Brixner came here our second year and during our third year Bob Oliver started to school with us. Part way through the fourth grade, Gerry McQuinn joined us.

By the time we reached the 5th grade the years were rolling by much faster and it wasn't long before we were eight graders and about to graduate. Mr. McKay was spending his first year here as our teacher and Mr. Berlie was on his second year as Superintendent of Curlew School. Graduation night came and at last after 8 long years we were in high school.

Bill Monnin joined us as we began our high school career. The biggest event of our Freshman year was our initiation by the Sophomores.

We made our first attempt at making money in our Sophomore year when we put on the traditional Sophomore Hop. We didn't make too much on this dance as it didn't attract a very large crowd.

The two most important events of our Junior year was the Junior-Senior Play and the Junior Prom. The title of the play was "Hillbilly Weddin" and since there wasn't enough Juniors and Seniors to fill out the cast, some of the Sophomores donated their talents as extras.

The Junior Prom was a success, also. The theme song was "Deep Purple" and Ruth Euerby's Orchestra from Grand Forks provided the music. We decorated in the colors of purple and gold. Queen of the prom was Charlotte Bardwell and since there were no boys in the class the other five girls acted as princesses.

LaDonna Egner joined us for our Senior year, which was the busiest of all our school years. We began by putting on the Senior Play. It was entitled "Good Gracious Granma". The next event was our trip to Christian Studios in Spokane for our graduation pictures. While we were in Spokane we had the pleasure of seeing a basketball game between Seattle University and Gonzaga.

We put on our Senior Fall March 13th. in the school gym. The theme song was "When Irish Eyes are Smiling" and the decorations were green and white.

The year continued to pass swiftly on, and at last graduation night was here.

Remember When ???

Last Will and Testament

We the Senior Class of '54, of the Curlew High School, of the county of Ferry, State of Washington, being of sound mind and good health, and about to depart from this institution, do hereby make and declare this, our last will and testament.

I Mick Matthews, will my once used bottle of red hair dye to anybody who likes red hair, my music ability to Clarence Heideman, my way with the girls to John Helphrey, my old typewriter to Charlene Egner, and my way to get out of class to Bill Brown.

I Larry Brixner, will my size to Gerald Borders, my American ways to Darwyn Mathison, and my intelligence to Newton Faulkner.

I Faye Ellis, will my curly hair to Julie Berlie, my tractor driving ability to Kenneth Grumbach as a safety measure, my well used trumpet and my wind to get to high "C" to Darlene Brown, my excess baggage to anyone who needs a pound or two.

I Delbert Lindsey, will my shortness to Ernie Miller, my studious ways to Joe Sumner, my sax to anybody who wants to buy it, and my ability to stay away from girls to Bill Brown.

I Bob Oliver, will the position of the captain on the football team to John Helphrey, my bashfulness to Gary Croswell, and my curly hair to Bobby Windsor.

I LaDonna Egner, will my temper to Marilyn Grumbach, my sharp-shooting in basketball to Joyce Martin, my way with the teachers to Bob Hottell, and my gift of gab to Marilyn Brenner.

I Gerry McQuinn, will my small waist to Jim Heuett, my finger nails to Charlene Egner, and my heartbreak and happiness to anybody who wants it.

I Bill Monnin, will my sideburns to Jim Forney, my Ford to anybody that can make it run, and my old basketball uniform no. 4 to Larry Nichols.

I Ronnie Borders, will my draft notice to Larry Rarrick, my basket ball skill, or shall we call it luck, to Richard Zigler and my way of tearing drive shafts out of "46" Fords to Bob Hottell.

We the Seniors, will our ability to put on a successful play to the up coming classes, the gun we have left here and there and on the bottom of desks to who ever may use them. Our positions in the Student Body to those who think they can endure the hardships of office and our fun, sorrow, joy and heartbreaks and the power to keep on going to the future classes who will follow in our footsteps.

Senior Class Prophecy

On May 28th, 1954, nine proud seniors accepted their diplomas and set off into the different directions that their work took them. Shortly before they left they all agreed to meet again at their spot where they held many memories, good old Curlew High School. To them the 10 years that was agreed on seemed like a long time, but the years flew by and in no time it was time to meet again.

As the bells tolled out the first is just arriving. Who in the, oh yes it's Larry Brixner. Larry, you know, is now the prosperous owner of a racing track down in California, and has a very famous horse who is now the world's champion racer.

Next is Gerry McQuinn who lives near Curlew, on a small ranch with her husband and 4 small children. Of course you all remember way back in '54 when she switched names and became Mrs. Green. She claims that they have finally completed their log house.

What! we hear footsteps outside, yep; just as we thought, old prize fighter himself, Delbert Lindsey. Of course you all know that he won the heavyweight title last August, and he says that he thinks that he can hold it for just as long as that old timer named-----"Joe Louis" did. We all think you can too. Good Luck, Delbert.

About now the voices of Bill Monnin and Ronnie Borders are heard. Hum-m-m there seems to be a third person, yep! presenting the one and only, the great Mick Matthews. It seems that Mick flew Ronnie and Bill in on his new jet plane. He is, you all know, a very famous accordion player in New York. You can hear him on the radio every night at 8:00 P.M. and see him every Sat. night on television on channel 71. Ronnie is a 7-star general (so he says) in the army, and Bill is one of the scientists who are furthering the progress on how to speed up Model A Fords.

Next to arrive in an airplane is Faye Ellis. She is flying her own plane called the "Hook-um-cow". She tells us her trip was lovely. She came all the way from Guatamala where she and her husband own a large cattle ranch. She tells us they have introduced a new breed of cattle.

Next is Bob Oliver. Bob is now a jet pilot and has just finished flying 16 missions over Moscow. Bob is now stationed at Curlew Air Force Base teaching aeronautics on the side.

Last of all but not least is LaDonna Egner, or is it Hottell, who has just driven up in one of her many Jaguars'. It seems that she has made a wondrous paradise out of Death Valley, which they have turned into the biggest horse ranch in the world.

Since all the seniors have now arrived they settle down and talk about many old times and soon it is time to go again out into this world of many things. Good Bye---Good Luck.

Other Awards and Honors

The F.T.A. awarded a scholarship of \$100 to the most deserving Senior. Their first choice was LaDonna Egner, second Bob Oliver, and third Mick Matthews. This scholarship will be given to the student that goes on to college. In event the first choice doesn't take advantage of it, the second will get it, and if he doesn't take it the third choice will be eligible.

Ronnie Borders was chosen as the most valuable player of the basketball team, by the members of the team. Ronnie will now have his name engraved on the trophy reserved for this purpose.

The judges of the Douglas-Ferry Tournament placed Kenneth Grambach on the first all-star team and Ronnie Borders on the second.

Girls Basketball

The Curlew girls got through the basketball season undefeated this year.

They started out right by trouncing Kettle Falls with a score of 43-28. With hopes high they then traveled to Inchelium. It was another victory with a resulting score of 41-18.

The following game was with Northport. This was the first time the Curlew girls really had to play ball. The score was tied 20-20 with four minutes left to play. Then Curlew with a good offense and defense made four baskets in succession while Northport was held to one free throw, making the final score 28-21.

The closest game of the season was against Grand Forks at Grand Forks. It was a very hard game for the Curlew girls because Grand Forks plays boy's rules. Curlew was ahead at the half but by the third quarter Grand Forks had pulled ahead. However Curlew managed to drag out a victory by the scant margin of one point. The final score was 27-26.

Kettle Falls was the next team to be defeated by Curlew. January 19th the Curlew girls traveled to Kettle Falls to win that game 37-28.

The last and probably the hardest played game of the season was with Northport February 16th. However Curlew came out on top with a score of 26-24.

The average score per game was 33.2.

High point girl for the year was Lahoma Egner with 155.
